Welcome to another newsletter from the Landscape Partnership. The last few months have been very busy. Since hearing that we had been successful in receiving a grant from the Heritage Lottery Fund in December, we have:

- advertised for and recruited several team members
- located and set up a new office in the heart of St Just (see below)
- begun work on most of the projects included in the Landscape Conservation Action Plan or LCAP which is our programme of work for the next five years.

Brief summaries of the projects can be found on our website www.penwithlandscape.com. Please contact one of the team listed overleaf if you have a particular interest in any of the projects.

Or if you want to meet us face-to-face and find out more about what we would like to achieve, come to our open day.

Penwith Landscape Partnership Open Day Friday 3rd August 1pm- 5pm St Just

Would you like to find out more about the different projects within the the Penwith Landscape Conservation Action Plan?

If so, come along to our informal open day at the

Penwith Landscape Partnership office, above the Dog and Rabbit café, North Row,
